## Product Features

### Ultimate portable printing

Connect and print on the go. Wherever life takes you this lightweight,slimline printer is the ultimate companion for portable and stylish printing from smartphones,tablets and the cloud thanks to advanced Wi-Fi connectivity.

### Cloud connected

Go direct to the cloud. Enjoy the freedom to print effortlessly from the internet,wherever you are,using just your smartphone or tablet. With improved PIXMA Cloud Link you can print office documents,PDFs and JPGs direct from cloud services such as Dropbox,Google Drive,OneDrive and Evernote. Plus you can print photos in seconds from Facebook,Twitter and online albums and - all without using a PC.

### Smartphone and tablet ready

You're smartphone ready and so is this printer. Simply download Canon's PIXMA Printing Solutions app for your smartphone or tablet. By using the app you can directly access cloud services. You can even check printer status,the manual or real-time ink levels over Wi-Fi or internet. To complete your mobile connectivity options,Apple AirPrint and Google Cloud Print support is also available.

### Exceptional quality

Impress on the go with exceptional quality printing. Print professional looking documents with sharp text and photos with rich color contrast and - thanks to Canon's FINE technology with enhanced 5-ink system and up high print resolution. Printing is fast too. Enjoy high print speeds that can deliver a beautiful 10 x 15 cm borderless photo in your hand in few seconds.

### Cost effective,convenient printing

For maximum convenience you can adjust printer settings to extend the amount of printing by using 'Save Black Ink Mode'. Don't worry if you run out of black ink when you're out and about,the printer will keep on going by creating composite black from the other colored inks.

### Wire-free printing

Experience the ultimate in portability and go mobile with the optional rechargeable battery pack. Ideal for when you want to print where there's no mains power supply.
